

Don't worry. It's here to stay! The Garage Sale with heart!

**It's not helping anyone
if it's still in your basement.
We need your stuff.**

**It helps us all if you donate your previously
loved stuff to the Great, Big Garage Sale!**

Victory Sale - Saturday April 30. By now you know that sanity and good planning prevailed at the Ontario Municipal Board (OMB) hearing into the James Dick Construction Ltd. Rockfort application. After 13 + years, the Caledon community can breathe again in the knowledge that environmental and heritage concerns ruled the day. The Rockfort case was precedent setting throughout its history and this decision is no exception. **Stand proud Caledon** – you residents proved that the perseverance, dedication and talent of a community volunteer organization should never be underestimated. The Garage Sale has been our mainstay and remains so. We have an outstanding debt to retire so... tell your friends and tell them to tell theirs!

This is the best deal in town. Outfit those first university digs. Give your own home a facelift. Downsizing? Bring us your excess and let someone else find their treasure.

It's a great family outing. Don't miss it. We need

your stuff! Please help us by cleaning out your attics, basements and garages. We need things like china, sports equipment, garden utensils, tools, furniture, hardware, clean clothing, toys, CD's, records, books, etc. We have the **Garden Table** too! Time to think about those house and garden plants that need dividing! We also need your tasty home cooking for **The Big, Bake Sale Table**. **NO** mattresses, paint or tires. And let's all use our recycle bags. **BYOB! (bring your own bags)**

Drop off days at Someday Farm will be:

Wednesday April 27 _____ 10 am - 5 pm

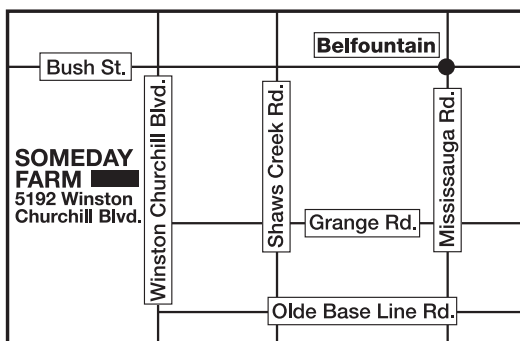

Thursday April 28 _____ 10 am - 5 pm

Friday April 29 _____ 10 am - 6 pm

We Need Your Help - Please volunteer.

For information, help with large items or if you can offer some time, please call **905-838-4333** or email **info@coalitioncaledon.com**.

The *great* big
