March 23, 2009

NEWS FLASH:

March 26th Region Meeting CANCELLED

Rockfort Quarry moved to April 2nd Agenda for Region of Peel

**9:30AM, 5th Floor, 10 Peel Centre Dr., Brampton
(Near Bramalea City Centre, S.E. corner of Queen & Dixie)**

Participation Vital! Please Attend!

The Region of Peel Council will receive the Staff Planning Report, delegations from JDCL and CCC, and vote their position regarding the proposed Rockfort Quarry.

If this quarry proceeds, the financial burden for roads, water and lost property taxes could impact ALL taxpayers in the Region of Peel, Town of Erin and Halton Hills. The Region could be liable for costs if the proposal goes terribly wrong. Let Councillors know your concerns regarding the Rockfort Quarry: [Region of Peel contact information](#)>

As Woody Allen says, '80% of life is showing up.'

Numbers matter! Share this notice with others who care about our water and environment. It isn't just the immediate vicinity around Rockfort that will be threatened!
