**Antiques, Collectibles, Hardware, Plants, Furniture, Toys, Silent Auction and much, much more. All under one Big Roof.**

The Coalition of Concerned Citizens will hold **The 7th Annual Great, Big Garage Sale** at Someday Farm.

*Believe it or not, this is our 7th year of raising funds for the Coalition of Concerned Citizens. The much needed financial assistance has helped us achieve the goal of protecting our water resources and countryside for future generations. Our efforts have brought these issues to the attention of our Federal, Provincial and Municipal governments.*

*Thanks to everyone's participation, the Rockfort Quarry remains on hold and we aim to keep it that way! We could never have come this far without you and we thank-you for all your hard work.*

### We need your stuff!

Please help us by cleaning out your basements, garages and attics and donating your excess stuff. We need things like appliances, china, sports equipment,

doors, tools, hardware, **clean** clothing, furniture, toys, CD's, records, books, etc. If it's in good condition and still working, we can use it!

We have the **Green Thumb Table** too. We can use your house plants and perennials. It's time to divide and conquer! And we know you have extra garden tools and supplies you don't use anymore! We also need your tastey home cooking for **The Big, Bake Sale Table**.

Please **NO** mattresses or tires.
